WORK EXPERIENCE

Website Developer July 2019 - April 2022

Purdue University, *West Lafayette, IN*

- Spearhead user-focused website improvements using **HTML/CSS** on content management systems
- Created graphic designs using Photoshop, Illustrator, and Canva

Email HTML/CSS Developer Intern May 2021 - August 2021

LendingTree, *Charlotte, NC*

- Developed complex, customer-facing email templates using **HTML, CSS, VML**, and **Shopify Liquid**
- Implemented 35 new email templates from concept to deployment
- Attained cumulative 4.9% email clickthrough rate at completion of internship
- Worked closely with technical and creative teams to deliver highly dynamic templates to company stakeholders in a fast-paced environment

Web Designer and Developer Intern June 2018 - July 2018

MSD of Wayne Township, *Indianapolis, IN*

- Selected as one of 4 students district-wide for a web development training program for high-achieving students based on academic performance, aptitude, and design and technical skills
- Completed web updates using WordPress and **HTML/CSS**

PROJECT EXPERIENCE

Front-End Developer January 2022 - April 2022

Senior Capstone Project

- Engineered a high-fidelity prototype of a mobile app designed to enhance the experiences of black students on Purdue's West Lafayette campus using **Flutter**, **Android Studio**, and **Visual Studio Code**
- Endorsed by Purdue's diversity and inclusion leaders and Black Cultural Center

Web Designer & Developer September 2021 - November 2021

Portfolio Website

hannahnarnett.com

- Launched a responsive, cross-browser compatible website using **open source code**, **HTML/CSS** and **JavaScript** on **Github** to demonstrate my creativity and front-end coding skills in a challenging environment
